DOCUMENT RESUME

ED 069 498 SE 015 148

AUTHOR	Wall, Charles A.
TITLE	Individualizing Science Instruction: A Bibliography of Readings.
INSTITUTION	Georgia Univ., Athens. Dept. of Science Education.
PUB DATE	Oct 72
NOTE	9p.
EDRS PRICE	MF-$0.65 HC-$3.29
DESCRIPTORS	*Bibliographies; *Individualized Instruction; *Instruction; Reference Materials; *Science Education; Teaching Methods

ABSTRACT

This bibliography is an alphabetical listing of approximately 90 readings on individualizing science instruction. The following wide range of topics is included: audio-tutorial systems, computer-assisted instruction, programmed materials, independent study, audio-taped programs, teaching by contract, experimental projects, and measurement and evaluation.
